Message From Your Con Chairs

Keycon will be celebrating its 30th anniversary in 2013 and it is going to be a party! Also celebrating the anniversaries of 100 years of H.P Lovecraft and 50 years of Dr. Who, we have a Weird Tales Theme. Part steam punk, part horror, and a lot of science fiction, 2013 will be a revelry of the past present and future.

2013 is going to be a class reunion of epic proportions! From our year-book-themed program to the Geek Prom where we will celebrate all the best of fandom and crown our convention royalty (Queens, Kings and Things), Keycon 30 will bring together our community like no other convention before it!

We need your help to make this convention the best it can be. Whether you join us for our monthly concom meetings, meet with us for less formal coffee talks or volunteer. We need your ideas, your input, your energy, and your enthusiasm to make this convention a massive success!
