Keycon is speculative fiction convention with heart! We are a registered non-profit organization in the city of Winnipeg, and are 100% volunteer run.

Our event has run annually since 1984, with a few variances, and have run supplementary mini events throughout the years.

Our convention takes place in Winnipeg, Manitoba, traditionally in a hotel setting. We have programming space, a costume contest (The Masquerade), a marketplace, a social dance, themed rooms, guests, and more!

We are one of Manitoba's longest running fan conventions.

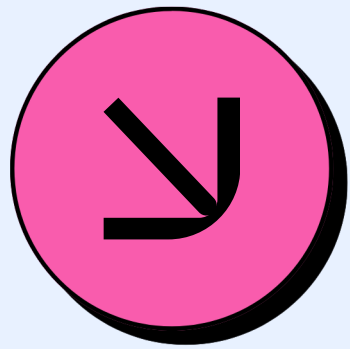

ABOUT US

THE EVENT
